

# FILING A GRIEVANCE

Western Health Advantage's goal is to provide its members with the optimum quality and member service experience. To this end, WHA has established a formal process for addressing member concerns, complaints, grievances and appeals.

# What is a Grievance?

A grievance is any written or oral expression of dissatisfaction made by you, your representative or your provider regarding your experience with WHA, your medical group or any WHA participating provider. The grievance can be related to a payment issue, an administrative action or quality of care or service issue. A "standard" or routine grievance is usually investigated and resolved within 30 calendar days. A "fast track" or expedited grievance is completed within 72 hours from receipt of the formal complaint.

# What is an Appeal?

An appeal is a verbal or written formal request to re-review or reconsider a decision that has been made. The appeal can be related to a payment denial, an administrative action, or utilization recommendation. Your appeal will be reviewed by a doctor who was not involved in the initial review of the issue. This doctor will make an independent second decision after reviewing all available information. The second decision may agree or disagree with the first decision.

Standard or routine appeals are completed within 30 calendar days. A delay in a final decision may occur if additional information is needed for the reviewer to make an informed decision. Expedited or "fast track" appeals are completed within 72 hours upon request if delaying the appeal decision risks jeopardizing your health. You have the right to request a "fast track" or expedited appeal if your doctor agrees there are health risks in delaying the decision. WHA's Medical Director will make the decision as to whether the appeal will be handled as an expedited or standard appeal.

# What is WHA's Grievance and Appeal Procedure?

If you have a complaint with regard to WHA's failure to authorize, provide or pay for a service that you believe is covered, a cancellation, termination, non-renewal or rescission of your membership or any other complaint, please call Member Services for immediate assistance.

If your complaint is not resolved to your satisfaction after working with a Member Services representative, a verbal or written grievance or appeal may be submitted to:

Email: appeal.grievance@westernhealth.com

Online form: mywha.org/grievance

Please complete the attached form. Be sure to include a discussion of your questions or situation and your reasons for dissatisfaction. Submit the grievance or appeal to WHA's Member Services or Appeals & Grievances departments within one hundred eighty (180) days of the incident or action that caused your dissatisfaction. If you are unable to meet this period, please contact Member Services on how to proceed.

If you are appealing a denial of services included within an already-approved ongoing course of treatment, coverage for the approved services will be continued while the appeal is being decided.

If you believe that your membership has been or will be improperly canceled, rescinded or not renewed, you may request a review by WHA or go directly to the Department of Managed Health Care. If your coverage is still in effect when you submit your grievance, your coverage will be continued while your grievance is being decided, including during the time it is being reviewed by the Department of Managed Health Care. All premiums must continue to be paid timely for coverage to continue. At the conclusion of the grievance, including any appeal to the California Department of Managed Health Care, if the issue is decided in your favor, coverage will continue or you will be reinstated retroactively to the date your coverage was initially terminated. All premiums must be up to date and paid timely.

WHA will send an acknowledgment letter to you within five (5) calendar days of receipt of your grievance or appeal. A determination is rendered within thirty (30) calendar days. WHA will notify the Member of the determination, in writing, within three (3) working days of the decision being rendered. For appeals of denials of coverage or benefits, you will be given the opportunity to review the contents of the file and to submit testimony to be considered. Written notification of the disposition of the grievance or appeal will be provided to the Member and will include an explanation of the contractual or clinical rationale for the decision.

A grievance form and a description of the grievance procedures are available at every Medical Group and Plan facility. In addition, a grievance form will be promptly mailed to you if you request one by calling Member Services. If you would like assistance in filing a grievance or an appeal, please call Member Services and a representative will assist you in completing the form or explain how to write your letter. We will also be happy to take the information over the phone verbally or through a secure message via your online MyWHA account.

For detailed information about the grievance and appeal procedure visit mywha.org/grievance or call WHA Member Services at 916.563.2250 or 888.563.2250.

## **Terminal Illness Conference**

Please indicate on the grievance form your request for a conference.

# **Plan Partner Grievances**
