

Your 2025 WHA plan

2024: Gateway 7050 Bronze 60 HDHP HMO to 2025: Gateway 6650 Bronze 60 HDHP HMO

New for 2025 – enhancements to our pharmacy benefits!

- Most medications are available in a three-month supply via **Optum® Home Delivery**:
 - We've increased the supply amount to a 100-day supply (previously 90-day).
 - Copayments have been decreased to two times the retail copayment (from 2.5 times).
 - And as always, standard shipping with order tracking is free on all Home Delivery orders.
- For additional convenience at an **Optum Retail Pharmacy**, members can get a 90-day supply of maintenance medication at ANY network pharmacy (not just CVS and Rite Aid). Note: Three retail copayments will apply.
- We clarified that **annual flu and COVID-19 shots** are covered without member cost-sharing; members can refer to Appendix A in the EOC/DF for a complete list of preventive medications, supplements and vaccines.

As a reminder, WHA added these new programs to our health and wellness benefits in 2024

- **Pregnancy and postpartum:** In addition to WHA's healthy pregnancy benefits and resources, WHA partnered with Maven Maternity to provide additional virtual support from coaches and specialists, along with educational materials for expectant parent/partner. mywha.org/parentsupport
- **Weight loss management:** WHA members have access to Real Appeal, a personalized 52-week virtual weight loss management program that includes coaching, digital resources to track progress, a food scale, exercise DVDs, and online group sessions. mywha.org/weightloss
- **Expanded chronic condition management:** Members living with a chronic illness have access to helpful resources and a care manager to help them manage their condition. Members living with the following chronic illnesses: asthma, coronary artery disease (CAD), chronic obstructive pulmonary disease (COPD), congestive heart failure (CHF), or diabetes (type 1 and type 2) may be eligible for personalized support to manage your health and related risk factors. mywha.org/dm
