ⁱ A Personal Representative of a minor child or adult child who is unable to make health care decisions is usually the child's parent/s or legal guardian/s. Do not list a parent if the court has removed that parent's rights with respect to the minor applicant or adult dependent.

ⁱⁱ Generally, a HIPAA-covered health plan like Western Health Advantage must allow Personal Representatives to request/receive protected health information on a minor. However, federal and state laws prohibit WHA from providing information on minors 12 years of age or older relating to sensitive services without written authorization from the minor.

Western Health Advantage complies with applicable Federal and California civil rights laws and does not discriminate on the basis of race, color, national origin, ancestry, religion, sex, marital status, gender, gender identity, sexual orientation, age, or disability, as applicable. Western Health Advantage does not exclude people or treat them differently because of race, color, national origin, ancestry, religion, sex, marital status, gender, gender identity, sexual orientation, age, or disability.
