

Dignity Health: Health care value you can count on.

Founded nearly 25 years ago, Western Health Advantage was created by a coalition of doctors and health care providers—including Dignity Health, who has served the Greater Sacramento area for nearly 125 years. By choosing these trusted partners in care, you have access to Dignity Health's comprehensive network, with programs and services designed for your confidence—and your convenience.

Access to more than 1,000 primary and specialty care providers

through Dignity Health
– Mercy Medical Group,
