the flexible HMO

- * BROAD NETWORK
- * AFFORDABLE PLANS
- * COMMUNITY PARTNER
- * RESPONSIVE SUPPORT

support that helps grow your business

Along with benefit-rich and affordable health plans, brokers and agents can expect a consistent level of service that demonstrates WHA understands the needs of your clients and our communities.

- * A non-profit community-based health plan with close working relationships with medical groups and health systems translates into exceptional service and support.
 - * WHA offers a diverse portfolio of plans that gives your clients greater flexibility. We strive to keep annual rates stable. No wild swings. That predictability demonstrates our experience.
 - * A recognized brand with deep roots in the communities we serve. That experience, integrity, and outstanding service are in everything we do.
- 

Direct communication with a dedicated sales team, sharing timely information and supporting your sales strategies across all lines of business. A portfolio of HMO health plans meets the needs of any-size organization, as well as individuals, families, and retirees across all stages of life.

*** Employer Groups: 101+ employees**

WHA offers a portfolio of comprehensive health plans allowing employers to tailor plan options and meet their group's financial needs through flexible underwriting.

*** Employer Groups: 1-100 employees**

WHA offers affordable plans from all metal tiers, helping small-group employers balance an overall budget with employee needs.

*** Individual & Family Plans**

Individuals and families also take advantage of affordable plans from all metal tiers with comprehensive benefits whether purchased directly or through Covered California.

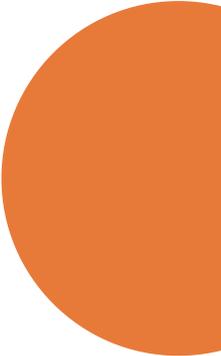

*** Medicare Advantage for Individuals and Groups**

WHA's popular all-in-one MyCare Medicare Advantage plans offer choice and flexibility with a broad provider network while adding valued benefits and programs. WHA also offers its Medicare Advantage plans for group retirees, allowing a smooth transition into Medicare.

innovative wellness built-in

With a WHA plan, members get innovative wellness programs built in. We believe our members deserve every opportunity to reach their health and wellness goals.

Our plans are not just for when members are sick or injured but go beyond with virtual support to help manage a chronic condition, such as diabetes or hypertension through personalized programs and technology that enables members to actively engage in lifestyle changes to improve their overall health. Just a few of our programs include:

- * **Acupuncture/Chiropractic Care**
 - * **Kaia Pain Management**
 - * **Livongo® Hypertension Management**
 - * **Nutritional Counseling**
 - * **Virta Type 2 Diabetes Reversal**
