# Western Health Advantage

Whether you are opting for coverage for the first time or have the opportunity to select a new plan, we encourage you to choose a health plan based on your own needs and expectations.

Western Health Advantage prides itself in being the choice of thousands—from Fairfield to Fremont and Penryn to Petaluma. We have a passion for health care, which is seen in our support of medical innovation and promotion of whole-person health to suit your changing needs. We are here to help you stay healthy and facilitate the care you need when you need it.

WHA understands that you have options in health coverage. Let us introduce you to what makes us the health plan of so many after 22 [and counting] years of service.

## choice

### Care begins with **PCP selection**

When selecting a primary care physician, you can choose from hundreds of providers. We're proud of our provider network—and you will be too.

## balance

### **Behavioral health** on all plans

We have partnered with mental health and substance abuse experts to assist you in a wide variety of situations. Prevention programs covering various behavioral health topics are also available.

## alternative

Find an **option** to traditional care

Acupuncture and chiropractic care [coverage varies by plan] can provide hands-on treatment of pain as well as promote and restore the balance of energy flowing throughout the body.

Keep in touch with **personal portals**

You have options for communicating with your doctor. Most of our partners have online capabilities such as scheduling appointments, viewing lab test results and accessing your medical record.

[mywha.org/connect](https://mywha.org/connect)

Emergency assistance **when you travel**

When you travel 100 or more miles from home you are eligible for assistance with medical consultations and referrals, care of a minor child, lost luggage and more.
