## empower employee well-being

We always strive to keep our annual small group plan rates consistently competitive, and that affordability allows you to keep control of your expenses while giving your employees access to quality and comprehensive care.

Affordable health plan rates means that your employees pay less to access health coverage, which is crucial for those on a tight budget. You want your employees to seek the medical they need, whenever they need it.

**Feel confident with Western Health Advantage, knowing that our responsive teams are here to support you, your employees, and your budget.**

## connected in our community

As a regional health plan serving Northern California for over 25 years, we make a difference in the lives of those living in our communities, from sponsorships to charitable giving and volunteerism. We strengthen our neighborhoods and enrich the lives of community members through support of local nonprofit organizations, cultural and community events, as well as health and human services organizations.

**Western Health Advantage is a trusted and dedicated community partner supporting where our members live and work.**
