member responsibility

DEDUCTIBLE

\$4,250*	Self-only coverage
\$4,250*	Individual with Family coverage
\$8,500*	Family coverage

The annual deductible is the amount of money a member or family must pay for covered services before WHA is responsible for covered services. Each member enrolled as a family must meet the Individual with Family coverage amount or Family coverage amount, whichever is met first. Once the deductible is met, the relevant copayment(s) will apply. The deductible applies to both medical and pharmacy expenses. The deductible does not apply to Preventive Care Services, as noted below. Amounts paid for non-covered services do not count toward a member's deductible.

ANNUAL OUT-OF-POCKET MAXIMUM

\$4,250	Self-only coverage
\$4,250	Individual with Family coverage
\$8,500	Family coverage

The out-of-pocket maximum is the most a member will pay in a calendar year for covered services. It includes the deductible and copayments. Once the deductible and copayment costs reach the annual out-of-pocket maximum, WHA will cover 100% of the covered services for the remainder of the calendar year. Amounts paid for non-covered services do not count toward a member's out-of-pocket maximum.
