member responsibility **DEDUCTIBLE**

The medical and prescription deductibles are the amount of money a member or family must pay for certain covered services before WHA is responsible for those covered services. Each member enrolled as a family must meet the Individual with Family coverage amount or the Family coverage amount, whichever is met first.

The deductible is waived for first three visits combined for non-preventive primary care, urgent care, acupuncture and outpatient office visits for mental health/substance use disorder services.

Amounts paid for non-covered services do not count toward a member's out-of-pocket maximum.
