

WHA MINIMUM COVERAGE HMO

COPAYMENT SUMMARY a uniform health plan benefit and coverage matrix

THIS MATRIX IS INTENDED TO BE USED TO HELP YOU COMPARE COVERAGE BENEFITS AND IS A SUMMARY ONLY. THE EVIDENCE OF COVERAGE/DISCLOSURE FORM AND PLAN CONTRACT SHOULD BE CONSULTED FOR A DETAILED DESCRIPTION OF COVERAGE BENEFITS AND LIMITATIONS.

ANNUAL DEDUCTIBLE

The **annual deductible** is the amount of money a member or family must pay for covered services/medications before WHA is responsible for covered services/medications. Each member enrolled as a family must meet the Individual with Family coverage amount or Family coverage amount, whichever is met first. Once the deductible is met, the relevant copayment(s) will apply. Amounts paid for non-covered services/medications do not count toward a member's deductible.

The deductible is waived for first three visits combined for non-preventive care, including but not limited to, primary care, urgent care, acupuncture and outpatient office visits for mental health/substance use disorder services.

member responsibility **Deductible • AD = After Deductible**

\$10,600	Self-only coverage
\$10,600	Individual with Family coverage
\$21,200	Family coverage

ANNUAL OUT-OF-POCKET MAXIMUM

The **out-of-pocket maximum** is the most a member or family will pay in a calendar year for covered services/medications. Once the deductible and copayment costs reach the annual out-of-pocket maximum, WHA will cover 100% of the covered services/medications for the remainder of the calendar year. Amounts paid for non-covered services/medications do not count toward a member's out-of-pocket maximum.

member responsibility **Out-of-Pocket Maximum**

\$10,600	Self-only coverage
\$10,600	Individual with Family coverage
\$21,200	Family coverage
none	Lifetime maximum

COVERED WITHOUT COST-SHARING — NOT SUBJECT TO DEDUCTIBLE

Preventive care services and some Prescription medications are covered at no cost to the member, as outlined under EOC/DF section Preventive Services Covered without Cost-Sharing. See additional benefit information at mywha.org/preventive.

- Annual physical examinations and well baby care
- Adult and pediatric immunizations, including those for flu and COVID-19
- Women's preventive services
- Routine prenatal care and lab tests, and first post-natal visit

PRESCRIPTION DRUG COVERAGE

Covered Prescription medications included in a member's Prescription drug plan are categorized as Tier 1, 2, 3 or 4 in WHA's Preferred Drug List (PDL). A member's PDL can be requested by calling WHA Member Services or viewed online at mywha.org/Rx.

NOTE: All medications included in the PDL are evaluated regularly for their efficacy, quality, safety, similar alternatives, and cost to ensure rational, cost-effective use of pharmaceutical agents. A drug's presence on the PDL does not guarantee that the member's Participating Provider will prescribe the drug. There are a small number of drugs, regardless of tier, that may require prior authorization to ensure appropriate use based on criteria set by WHA.

Preventive medications, supplements and vaccines: Aspirin, folic acid (including in prenatal vitamins), fluoride for preschool age children, tobacco cessation medication, contraceptives, and preventive vaccines, including those for flu and COVID-19, are covered without member cost-sharing; see Appendix A in your EOC/DF for a complete list. Generic required if available.

COVERED WITH COST-SHARING

cost to member Deductible/percentage copayments are based on WHA's contracted rates with the provider of service

Retail pharmacy (cost per 30-day supply)

- none AD • Tier 1: Preferred generic and certain preferred brand name medication
- none AD • Tier 2: Preferred brand name and certain non-preferred generic medication
- none AD • Tier 3: Non-preferred (generic or brand) medication

Participating Retail Pharmacies allow up to a 90-day supply on maintenance medication. The retail pharmacy copayment applies for each 30-day supply.

Home delivery pharmacy (cost per prescription, up to 100-day supply)

- none AD • Tier 1: Preferred generic and certain preferred brand name medication
- none AD • Tier 2: Preferred brand name and certain non-preferred generic medication
- none AD • Tier 3: Non-preferred (generic or brand) medication

Specialty pharmacy (cost per prescription, up to 30-day supply)

- none AD • Tier 4: Specialty and other higher-cost medication

Specialty medication must be ordered through Optum Specialty Pharmacy (delivered to home or medical office, depending on who administers the medication).

A member's copayment or cost share will not exceed the cost of the drug dispensed. If a Tier 1 medication is available and the member elects to receive a medication from Tier 2, 3 or 4 without medical indication from the Prescribing Provider, the member will be responsible for the applicable Tier 2-4 copayment plus the difference in cost between the Tier 1 medication and the purchased medication. The amount paid for the difference in cost does not apply to the deductible or contribute to the out-of-pocket maximum. Prescription copayments contribute to the medical annual out-of-pocket maximum.

MANAGING YOUR HIGH-DEDUCTIBLE PLAN: The deductible and annual out-of-pocket maximum apply only to the covered services/medications described in this Copayment Summary. Copayments and deductibles for any benefits purchased separately as a rider do not apply to this deductible or annual out-of-pocket maximum. To review amounts applied to your annual deductible and out-of-pocket (OOP) maximum, simply access your accumulator at mywha.org. If you have any questions about how much has been applied to your deductible or annual OOP maximum, or whether certain payments you have made apply to the OOP maximum, call WHA Member Services. Once you have satisfied your OOP maximum, you may request a written statement confirming that you do not have to pay any more copayment or deductible amounts for covered services through the end of the calendar year.
