

OUT-OF-AREA BENEFITS

FOR STUDENTS

COPAYMENT SUMMARY

Your Western Health Advantage health plan covers* routine care when provided by a WHA network practitioner. For dependents attending school outside of WHA's service area, this may require your student to select a new primary care physician (PCP) closer to school, travel back to WHA's service area during a holiday or school break for some services, or see a WHA provider virtually when available. This expanded, out-of-area (OOA) benefit plan supports unexpected minor care when traveling home isn't an option and/or a virtual visit is not enough to address the student's need for care.

Covered Services	<p>OOA routine office visits (within the United States), limited to up to three (3) outpatient specialty office visits per calendar year. In-office testing and minor in-office procedures may be allowed as part of the authorized office visit if medically necessary to have it done sooner than the member is reasonably able to return to service area.</p>
Requirements	<ul style="list-style-type: none"> • A virtual visit with a network provider, who documents the medical necessity for an in-person office visit to evaluate the member's condition, occurring sooner than the member is reasonably able to return to the WHA service area. • Prior authorization required from WHA for medical specialist care visits, to be submitted by OOA dependent student's PCP or in-network specialist conducting the virtual visit(s). • Documentation of college student status, including name and address of the college, which may be referenced in provider's chart notes during a virtual visit, given by member or parent via call/email to WHA Member Services (916.563.2250 or 888.563.2250 toll-free, memberservices@westernhealth.com), or faxed to WHA Clinical Resources (916.568.0278).
Behavioral Health Services	<p>Optum is WHA's mental/behavioral health and substance use disorder provider. They offer a national network for both in-person and virtual visits. No PCP referral or prior authorization is needed. To find a behavioral health provider near school, search liveandworkwell.com (access code: WHA) to find a behavioral health provider near their school or call Optum at 800.765.6820.</p>
Chiropractic and Acupuncture Services	<p>Landmark is our complementary/alternative medicine provider. They do not require prior authorization for chiropractic or acupuncture services. Standard benefit limits apply. WHA members can call 800.678.7427 or visit multiplan.com to locate a provider near their college. For questions or assistance in finding a provider, call Landmark at 800.298.4875, option 2, Monday – Friday, 8:30 a.m. to 5 p.m. (Pacific time).</p>
Copay/Co-insurance	<p>Member is responsible for standard cost-sharing and deductibles as described in plan documents.</p>
Additional Information	<p>Member or a network provider may identify a specialist to provide OOA service when requesting prior authorization. If no provider is identified, WHA or its partners will assist in finding a provider. WHA/Optum/Landmark reserve the right to redirect the member to a different OOA provider. Claims for approved services will be submitted to WHA/Optum/Landmark based on which organization approved service. Members may be denied OOA specialist visits if the service can safely wait until the member is able to reasonably return to the service area.</p>
Exclusions	<p>Exclusions remain for OOA coverage of these services: Specialist visits for care that is not reasonably expected to be completed within three (3) visits; Lab and radiology services; Elective outpatient and inpatient services and surgeries; Durable medical equipment; and any services not specifically mentioned unless authorized as an exception.</p>

*Note: Urgent care and emergency care services are covered by your medical plan, wherever you are in the world. Emergency room visits are not covered for non-emergency situations. Learn more at mywha.org/ER.

Western Health Advantage complies with applicable Federal and California civil rights laws and does not discriminate on the basis of race, color, national origin, ancestry, religion, sex, marital status, gender, gender identity, sexual orientation, age, or disability, as applicable. Western Health Advantage does not exclude people or treat them differently because of race, color, national origin, ancestry, religion, sex, marital status, gender, gender identity, sexual orientation, age, or disability.
