COPAYMENT SUMMARY a uniform health plan benefit and coverage matrix

THIS MATRIX IS INTENDED TO BE USED TO HELP YOU COMPARE COVERAGE BENEFITS AND IS A SUMMARY ONLY. THE EVIDENCE OF COVERAGE/DISCLOSURE FORM AND PLAN CONTRACT SHOULD BE CONSULTED FOR A DETAILED DESCRIPTION OF COVERAGE BENEFITS AND LIMITATIONS.

member responsibility	DEDUCTIBLE
$3,000*	Self-only coverage
$3,000*	Individual with Family coverage
$6,000*	Family coverage

The annual deductible is the amount of money a member or family must pay for covered services before WHA is responsible for covered services. Each member enrolled as a family must meet the Individual with Family coverage amount or Family coverage amount, whichever is met first. Once the deductible is met, the relevant copayment(s) will apply. The deductible applies to both medical and pharmacy expenses. The deductible does not apply to Preventive Care Services, as noted below. Amounts paid for non-covered services do not count toward a member's deductible.

	ANNUAL OUT-OF-POCKET MAXIMUM
$6,350	Self-only coverage
$6,350	Individual with Family coverage
$12,700	Family coverage

The out-of-pocket maximum is the most a member will pay in a calendar year for covered services. It includes the deductible and copayments. Once the deductible and copayment costs reach the annual out-of-pocket maximum, WHA will cover 100% of the covered services for the remainder of the calendar year. Amounts paid for non-covered services do not count toward a member's out-of-pocket maximum.

none	Lifetime maximum

cost to member	SERVICES NOT SUBJECT TO DEDUCTIBLE
	Preventive Care Services
none	Preventive care services, including laboratory tests, as outlined under the Preventive Services Covered without Cost-Sharing section of the EOC/DF

- Annual physical examinations and well baby care
- Immunizations, adult and pediatric
- Women's preventive services
- Routine prenatal care and lab tests, and first post-natal visit
- Breast, cervical, prostate, colorectal and other generally accepted cancer screenings

Note: Procedures resulting from screenings are not considered preventive care. In order for a service to be considered "preventive," the service must have been provided or ordered by your PCP or OB/GYN, and the primary purpose of the visit must have been to obtain the preventive service. Otherwise, you will be responsible for the cost of the office visit as described in this copayment summary.

none	Hearing examination

IMPORTANT: Health savings accounts (HSAs) are complex financial products. This plan is a high-deductible health care plan. While there is no obligation to have an HSA, WHA recommends that you consult your tax or financial advisor to discuss the benefits and determine whether this plan and HSAs are a good choice for you.

MANAGING YOUR HIGH-DEDUCTIBLE PLAN

The deductible and annual out-of-pocket maximum apply only to the covered services described in this Copayment Summary. Copayments and deductibles for any benefits purchased separately as a rider, including but not limited to infertility benefits, do not apply to this deductible or annual out-of-pocket maximum. When you reach your annual out-of-pocket maximum described in this Copayment Summary, WHA will mail you a letter to inform you that you do not have to pay any more copayments or deductibles for covered services through the end of the calendar year. To review amounts applied to your annual deductible and out-of-pocket maximum, simply access your accumulator through mywha.org. If you have any questions about how much has been applied to your deductible or annual out-of-pocket maximum, or whether certain payments you have made apply to the annual out-of-pocket maximum, please call WHA Member Services.
