

Alternative Medicine

WHA health plans include complementary and alternative medicine (CAM) — such as acupuncture services and/or chiropractic care — provided through Landmark Healthplan.

See your medical copayment summary to confirm coverage, cost, and the number of annual visits included* in your plan for these benefits. PCP referral is not required to receive covered services.

Chiropractic care is included* on all small group plans and most large group plans.

Services include treatment of pain related to acute neuromusculoskeletal conditions such as low back pain, sprains and strains, headaches, neck pain, and muscle spasms.

Typical services include:

- * history
- * examination
- * manipulation
- * conjunctive physiotherapy
- * x-rays

*Small groups have Capital, Gateway, and Sierra plans. Large groups have Advantage, Premier, and Western plans. Chiropractic benefits are not available on individual plans.

Acupuncture is included* on all small group and individual plans, and most large group plans.

Services include treatment of pain related to acute neuromusculoskeletal conditions such as dysfunction of the neck, back or joints, headaches, carpal tunnel, arthritis, allergies, and asthma.

Typical services include:

- * evaluation
- * acupressure
- * cupping
- * manual stimulation
- * moxibustion
- * electroacupuncture

*Small groups have Capital, Gateway, and Sierra plans. Large groups have Advantage, Premier, and Western plans.
