

Providing emergency travel assistance services worldwide when traveling 100 miles or more from home

When members travel more than 100 miles away from home (for less than 90 days) and experience a medical or travel emergency, our partner, Assist America, is at the ready with:

- Medical consultation, evaluation and referral
- Prescription assistance
- Foreign hospital admission assistance
- Medical monitoring
- Emergency medical evacuation
- Medical repatriation
- Care of minor children
- Compassionate visit
- Legal and interpreter referrals
- Lost luggage or document assistance
- Pre-trip information

How do I use Assist America?

* YOUR ASSIST AMERICA CARD

Download the Assist America Mobile App for Android and iPhone. The app connects members to the operations center. Other useful features include embassy and U.S. pharmacy locator, travel status indicator (based on entered home address), and view Assist Alerts.

* 24/7 OPERATIONS CENTER

Assist America is a leading provider of global emergency travel assistance services. If you're traveling away from home in qualifying circumstances and experience a medical or travel emergency, our 24/7 Operations Center is here to help.

You can contact Assist America's 24/7 Operations Center via:

- ☎ 1.800.872.1414 (within the U.S.)
1.609.986.1234 (outside of the U.S.)
- 💬 1.609.334.0807 (text message)
- ✉ medservices@assistamerica.com (email)
