DIGITAL ACCESS

Convenient and easy access to your WHA plan information online through your member portal, our mobile apps, and wellness and discount programs.

1. Create your MyWHA account

Your personalized account helps in managing your health plan with the convenience of anytime access at **mywha.org/signup**. All it takes is an email address and some basic personal information. Resources include:

- Print a temporary member ID card
- Change your primary care physician (PCP)
- Review your plan documents
- Find a mental health provider
- Connect to your pharmacy benefits
- Search for a doctor or facility
- Access 24/7 nurse advice
- Review your out-of-pocket expenses
- Discover wellness programs and discounts

2. Download WHA mobile app

Visit **mywha.org/apps** or scan this QR code for a link to the App Store or Google Play. MyWHA by Western Health Advantage offers you access to your digital WHA Member ID card; one-touch call to your PCP; directions to your PCP's office; and plan benefit details.

3. Easily connect with your doctor

Depending on your medical group's online capabilities, you have options for reaching your doctor. See **mywha.org/connect** for portal access to email your doctor, view lab results, or manage your appointments (in-person and virtual).

4. Discover WHA's program partner apps
