

# DIGITAL ACCESS

**WHA offers you access to your plan via our secure, member-only website and mobile apps.**

## Sign up for access to your MyWHA account

Your personalized account helps in managing your health plan with the convenience of any-time access. Create an account at [mywha.org/signup](https://mywha.org/signup). All it takes is an email address and some basic personal information. Resources include:

- Print a temporary member ID card
- Change your primary care physician (PCP)
- Review your plan documents
- Find a mental health provider
- Connect to your pharmacy benefits
- Search for a doctor or facility
- Access 24/7 nurse advice
- Review your out-of-pocket expenses
- Discover wellness resources

## Additional access on devices

To download WHA's mobile app, visit [mywha.org/apps](https://mywha.org/apps), scan this QR code or search App Store or Google Play.

MyWHA by Western Health Advantage offers you access to your digital WHA Member ID card; one-touch call to your PCP; directions to your PCP's office; and benefit details about your plan.

## Options for connecting with your doctor

Depending on your medical group's online capabilities, you have options for reaching your doctor. See [mywha.org/connect](https://mywha.org/connect) for details: you may be able to email your doctor, view lab results, or appointments (in-person and virtual).
