## Filling Prescriptions with OptumRx

**Pick up at a local pharmacy:** You can fill most prescription medications at any retail pharmacy. Get the most savings by going to one of thousands of retail pharmacies in OptumRx's network, which includes large national chains and many local pharmacies. See pharmacy websites for drive-thru pick-up options.

**Options for the medications you take regularly:** Save time and money by obtaining a 90-day supply through OptumRx's mail-order pharmacy program or by using Select90 at Walgreens or CVS Pharmacy.

**More on mail order:** Refill your prescription online or by phone and get it delivered straight to your home. There is no charge for standard shipping. To get started, ask your doctor to send an electronic prescription to OptumRx, register at [optumrx.com](http://optumrx.com), download the OptumRx App, or call 844.568.4150.

**Specialty medications:** To ensure you get started on your medications in a timely manner, you are able to pick up two initial fills at local retail pharmacies, with some exceptions (a drug may be limited by the FDA and/or the manufacturer to a specific specialty pharmacy, for example). All other fills will be limited to WHA's exclusive specialty pharmacy network.

**Optum Specialty Pharmacy:** If you have a prescription for a specialty medication with Optum Specialty Pharmacy, you will be automatically enrolled into OptumRx's clinical management program. All specialty medications are shipped at no cost to your doctor's office or your home, depending on who administers the medication. Optum's patient care coordinators and pharmacists are highly trained to understand your special therapy needs. You have 24-hour-a-day access to registered pharmacists who review lab results and check for side effects or drug interactions. To get started call 855.427.4682 or visit [specialty.optumrx.com](http://specialty.optumrx.com).
