

Filling Prescriptions with OptumRx

Western Health Advantage utilizes OptumRx to provide our members with 24/7 access to pharmacists, online and mobile app prescription management, and tools to find network pharmacies.

Pick up at a local pharmacy. You can fill most prescription medications at your local network pharmacy. Get the most savings by going to one of thousands of pharmacies in OptumRx's network, which includes large national chains and many local pharmacies. See pharmacy websites for drive-thru pick-up options.

Options for the medications you take regularly. Save time and money on your maintenance medication by obtaining a 90-day supply through OptumRx's mail-order pharmacy program or by using the Select90 program at your local Walgreens or CVS Pharmacy.

More on mail order. Refill your prescription online or by phone and get it delivered straight to your home. There is no charge for standard shipping. To get started, ask your doctor to send an electronic prescription to OptumRx, register at optumrx.com, download the OptumRx app, or call 844.568.4150.

Clinical Management with Optum Specialty Pharmacy. If you have a prescription for a specialty medication with Optum Specialty Pharmacy, you will be automatically enrolled into OptumRx's clinical management program. All specialty medications are shipped at no cost to your home. Optum's patient care coordinators and pharmacists are highly trained to understand your special therapy needs. Registered pharmacists are available to help you manage side effects or drug interactions. Visit specialty.optumrx.com or call 855.427.4682 to get started.
